

International Diploma in Occupational Safety and Health (IDipOSH) Course – 2009

The British Safety Council in partnership with the Kafue Gorge Regional Training Centre (KGRTC) will be conducting the International Diploma in Occupational Safety and Health (IDipOSH) Course in Zambia from 13th July to 21st August 2009. The Venue will be the Kafue Gorge Regional Training Centre.

The British Safety Council is one of the world's leading occupational health, safety and environmental organisations. Founded in 1957. Our mission is to support a healthier, safer and more sustainable society. We work hand-in-hand with the world's leading companies, developing safe systems of work. Our specialist teams of lecturers, trainers, auditors, advisers and information providers give practical help to organisations in more than 50 countries worldwide.

Course Overview

The IDipOSH is a professional qualification for health and safety practitioners and managers who have specific responsibility for health and safety in the workplace. It is internationally recognized and accredited at the highest level by IOSH. The IDipOSH qualification aims to promote a positive health and safety culture built on a sound foundation of professional expertise.

The six week course will be composed of the following units and elements:

Unit 1

- Practical Health and Safety Management
- Fundamentals of Health and Safety Management
- Applied Health and Safety

Unit 2

- Safeguarding People's Health
- Occupational Health
- Risks to Health at Work

Unit 3

- Health and Safety: Business and Culture
- Developing a Positive Health and Safety Culture
- Developing the Business Case for Health and Safety

Each unit will be assessed individually and assessments include examinations and assignments.

The Diploma will be accredited by IOSH at GradIOSH level. Following the successful completion of a period of Initial Professional Development (IPD), a graduate member may transfer to Chartered Member of IOSH (CMIOHSM).
